

2017 Spring Livestock Show Honorees

Andy and Mary Cochrum

Andy Cochrum was born and raised in Texas. Mary and Andy married in September of 1987 and will celebrate their thirtieth anniversary later this year. Andy worked for Pitney Bowes for 37 years and Mary is retired.

Andy and Mary have three children and eight grandchildren. Travis Foster is married to Angela, Jennifer is married to Will Houston, and Samantha is married to Jacob Smith.

Andy and Mary became involved in FFA, 4-H and Tri- Club when their daughter Samantha joined Westfield FFA as a Freshman in 2002.

Samantha held offices in both 4-H and FFA in 2003-2004, 2004-2005, and 2005-2006. Their daughter raised goats for four years, steers for two years, and chickens for two years, and eventually won Grand Champion with her chickens.

Andy and Mary participated as board members for Tri-Club and worked every job at one time or another as needed. Mary served two years as Treasurer as well.

Andy and Mary love their involvement in Tri-Club and believe the program is great for the kids. Both love helping and doing what they can to help the children of Spring ISD.
